

Stressed Pet Form TransFURmations

Ongoing or permanent problems we should be aware of _____

Your pet is important to us!!! Because we care, we want to assure you that every effort will be made to make your stressed pets visit as **pleasant as possible**. Whether it be a senior or a pet that has had a stressful situation happen with another groomer etc. Or maybe they are of the stressed nature naturally.

When pets are older or they are nervous they are subject to stress due to being in an unfamiliar environment. The stress has the potential to cause latent physical conditions (i. e. heart, liver and kidney) we may contact you if we feel a veterinarian is necessary. If we see your pet looks ill, having seizure and/or grooming looks to be uncomfortable.

In the best interest of your pet, we request your permission to obtain immediate Veterinary treatment, should it be necessary. In this event, we will attempt to contact you and proceed to the closest veterinary.

Take every measure possible to save a life. _____
